24. [ ] LIAISON Met with Anne Karalekas, Senate Select Committee on Intelligence staff, who informed me that she and John Elliff, also of the Committee staff, had prepared a memorandum regarding our 17 May meeting on CIA and Department of Justice reporting to the Committee on intelligence activities involving Americans. Karalekas wants the memorandum to be the basis for further discussions on this matter.

25. [ ] BRIEFING Bill Jordan, Senate Appropriations Subcommittee on Foreign Operations staff, called to check on the possibility of having so-called S. Res. 60 staff members (those staffers on the staffs of individual members of this Subcommittee) sitting in on the Director's briefing of this Subcommittee on 7 June. I discussed with Jordan the implications of this situation, especially as it related to compartmented information. I told him I would check with [ ] Congressional Support Office, concerning the classification level of the briefing and be back in touch with him.

After checking with [ ] I told Jordan that we could pitch the briefing at whichever level Chairman Daniel Inouye (D., Hawaii) wished and it was decided that we would go ahead with the briefing at a non-compartmented level with S. Res. 60 staff members in attendance. Jordan said that if any of the questions required answers at the compartmented level, Chairman Inouye would clear the room of these S. Res. 60 staffers.

26. [ ] LIAISON John Waller, IG, called to advise me that he had updated his "IOB report" for passage to the Senate Select Committee on Intelligence and we discussed the problem of getting an answer from Robert Lipshutz, Counsel to the President, on this subject. I conferred with Tony Lapham, General Counsel, about updating his presentation as well and the Lipshutz problem. Lapham said he was discussing this situation with the Department of Justice in the hope that they could facilitate a response to the question we had raised with Lipshutz regarding "IOB-type reporting" to the Select Committee, as well as reports on intelligence agreements pursuant to the Case Act.

27. [ ] BRIEFING Accompanied the Director, William Wells, DDO, [ ] Congressional Support Office, and [ ] of this office, to a briefing of the Subcommittee on Intelligence and Application of Nuclear Energy, House Armed Services Committee. (See [ ] Memorandum for the Record.)
